

Willoughby Stainless Fountains

CWBF-1-HF Series Outdoor Hands-Free Bottle Filler

Recommended Specifications

Outdoor Hands-Free bottle filler shall be Willoughby Model No. **CWBF-1-HF** ____ (see Model Number and Options guide for actuator selection).

Model **CWBF-1-HF** Hands-Free outdoor bottle filler shall be a single-level, vandal resistant bottle filler with 304 stainless steel 8" Sched. 10 main column and 11 Ga. flange.

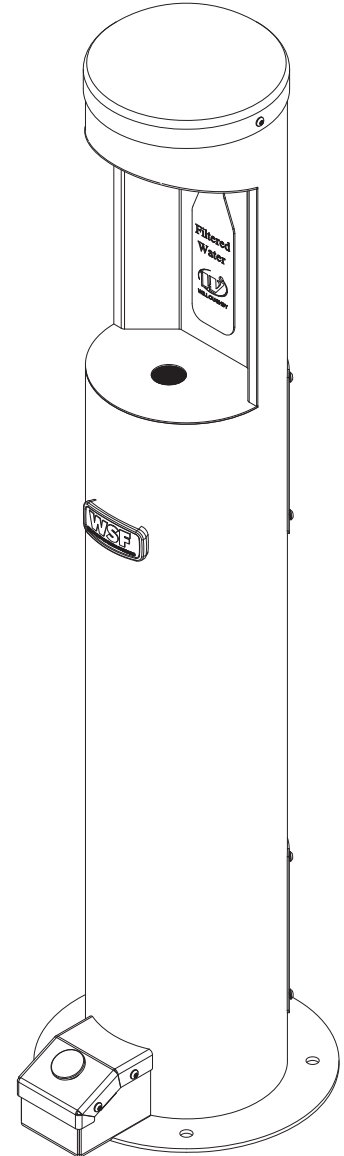

Filler spout shall be activated by a foot operated solid stainless steel pushbutton assembly which controls a lead-free, self-closing valve. Foot operated pushbutton operation shall require less than 5 lbs. of force (optional battery operated-infrared activation available).

Model **CWBF-1-HF** bottle filler shall be lead-free and in compliance with ANSI/NSF 61, Section 9 requirements.

Optional mounting kit available for purchase consisting of stainless steel anchors, nuts, washers and rubber gasket washers. If optional kit is not used, stainless steel hardware recommended.

Standard Features

- * Simple, vandal-resistant foot operated push button or optional infrared operation
- * Quick, 1-gallon-per-minute fill rate
- * One-piece fully-welded construction
- * Standard heavy duty type 304 stainless steel 8" Sched. 10 main column and 11 Ga. flange
- * Optional marine-grade type 316 stainless steel body for installations near salt water
- * Solid stainless steel vandal resistant anti-rotation filler spout
- * Replaceable in-line charcoal filter on inlet water supply
- * Heavy-duty main column access panels
- * Promotes use of environmentally friendly refillable bottles, reducing use of disposable bottles
- * Compliant to ADA reach height guidelines
- * Powder coat finish (color options on page 2)

To specify fixture and options, use the Model Number and Options page.

Example: To specify a CWBF-1-HF outdoor hands-free bottle filler with foot operated pushbutton, and 316 stainless steel body/cap/flange in Green color,

Use the following Willoughby Model Number: CWBF-1-HF-316-1-G
