

Willoughby Stainless Fountains

CWBF-2WM Series Outdoor Wall Mounted Bottle Filler w/Drinking Fountain

To specify fixture and options, use the Model Number and Options page.

Example: To specify a CWBF-2WM outdoor bottle filler with drinking fountain with recessed pushbutton, and 316 stainless steel body/cap/flange in Blue color

Use the following Willoughby Model Number: CWBF-2WM-RPB-316-2-BL

Standard Features

- * Simple, vandal-resistant pushbutton or optional infrared operation
- * Quick, 1-gallon-per-minute fill rate
- * One-piece fully-welded construction
- * Standard heavy duty type 304 stainless steel 10" Sched. 10 main column and 7 Ga. flange
- * Optional marine-grade type 316 stainless steel body for installations near salt water
- * Solid stainless steel vandal resistant anti-rotation filler spout
- * Solid stainless steel anti-rotation drinking fountain bubbler
- * High polished stainless steel bowl
- * Replaceable in-line charcoal filter on inlet water supply
- * Promotes use of environmentally friendly refillable bottles, reducing use of disposable bottles
- * Compliant to ADA reach height guidelines
- * Powder coat finish (color options on page 2)

Recommended Specifications

Wall mounted outdoor bottle filler shall be Willoughby Model No. CWBF-2WM ____ (see Model Number and Options guide for actuator selection).

Model CWBF-2WM outdoor bottle filler shall be a single-level, vandal resistant drinking fountain with 304 stainless steel 10" Sched. 10 main column and 7 Ga. flange.

Filler spout shall be activated by a recessed mounted solid stainless steel pushbutton assembly which controls a lead-free, self-closing valve (optional hardwire- or battery operated- infrared activation available). Pushbutton operation shall require less than 5 lbs. of force.

Model CWBF-2WM bottle filler shall be lead-free and in compliance with ANSI/NSF 61, Section 9 requirements.

Optional 316 stainless steel body (main column, flange, and cap) are available for applications in which the unit's exterior may come into contact with salt water.
